Summary

An experienced developer with expertise in web technologies...

Tech Skills

Website Developer

App Developer

React Js

React Native

TypeScript

Mini Projects

Library Management System

Technology: React Js and also used Typescript

Description: To add a PDF download option using @react-pdf/renderer, you can create a PDF version of your UI and ensure that it closely mirrors the same design as on the web page. Here's how you can implement it step by step:

Education

The Islamia University of Bahawalpur - Software Engineering (2027)
